

Facilitator Workshop Program 2011

Tournament of Minds offers a range of valuable Professional Development workshops. The 2011 program is listed below. To register for any of these workshops go to the NSW portal at www.tom.edu.au

Introduction to TOM

This workshop will provide new facilitators and coordinators with a complete overview of Tournament of Minds. Participation in a TOM workshop enables facilitators to achieve these outcomes and skills:

Outcomes:

- **Insight into** integrating the benefits of TOM into a total school plan
- **Confidence** in training a TOM Team
- **Knowledge** about the Instruction Manual
- **Process** of team selection

Skills:

- Promoting **team building** and **cooperation**
- Catering to the needs of the **gifted and talented students**
- Developing **creative, critical** and **caring thinking**
- **Time** management
- Developing **problem solving** techniques

Advanced Thinking Skills

These workshops are designed for facilitators who wish to challenge and further the thinking of their students, both in the classroom and within their TOM teams. They will cover:

- Why TOM is a valuable experience and what it offers students
- What is problem-solving, and how to walk the students through a problem solving process
- Working group skills
- Fostering creativity and cooperation
- The Spontaneous Challenge – ability to focus; generating ideas; organisation and evaluation
- Spencer Kagan's Cooperative Learning strategies
- Strategies for successful TOM training including brainstorming, SCAMPER, Six Thinking Hats and Mind Mapping.

TOM On-line Training Session

This facility is available to facilitators unable to attend face-to-face workshops, those needing an update on TOM, and facilitators in remote areas of NSW It will provide you with the resources and support needed to set up and manage your TOM team.
